<p>Ørsted A/S Group. "Ørsted A/S Group" means those undertakings in which Ørsted A/S directly or indirectly owns half or more than half the capital or business assets, or has the power to exercise half or more than half of the voting rights, or has the power to appoint half or more than half of the members of the supervisory board, the administrative board or bodies legally representing the undertakings, or has the right to manage the undertakings' affairs. The Ørsted A/S Group establish on an ongoing basis new companies in connection with its activities. New companies that fulfil the definition above will also be contracting entities using the qualification system, as long as the new companies' activities are within the usual activities of the Ørsted A/S Group.</p>
